

Press release of the UEMS Division of Interventional Radiology

Vienna, 5 July 2017

UEMS-CESMA Appraisal for EBIR

The UEMS IR Division welcomes the endorsement of the **EBIR by UEMS-CESMA** as a further step towards harmonising IR education and running a high quality examination. Based on the European Curriculum and Syllabus for Interventional Radiology both the EBIR Exam, as well as Interventional Radiology as a subspecialty gain robustness.

The European Board of Interventional Radiology was able to comply with the standards of the quality mark of the European Union of Medical Specialists (UEMS) after undergoing a thorough scrutiny process and successful interviewing of the organising committee in March 2017 in Vienna. The **appraisal certificate** was awarded at the on **May 13, 2017 in Glasgow, UK** at the annual **CESMA meeting**.
